We do Love food, Yes we do ! Its an obsession of ours to seek out and buy from farmers and suppliers who share our passion and there is nowhere better to do this than on the island of Ireland.

For Over 30 years we have been championing the use of locally grown, organic and great tasting local and artisan foods and now we have a fabulous supplier chain that enables us to produce great tasting food in any style, theme or food preference for our guests.

Every food item we serve is inspected, stored correctly and prepared thoroughly by our expert Chef team..

- ♥ Our Meats all are sourced from Bórd Bia approved suppliers and are traceable from farm to fork.
- ♥ Our Fresh Fish is from Sustainable sources only and delivered daily direct from the trawlers.

We care very deeply about what we buy and how we manage our food chain, and that shows in spades when you taste our delicious dishes. We **LOVE** them, we hope you will too!

“

Your professionalism, attention to detail and organisational abilities shone through on the night. Your staff were courteous, considerate and efficient.

It is no surprise to me, based on my own experience, that John Coughlan Catering were the winners of Event Caterers of the year, two years in a row. It is a well deserved accolade.
